Alford Says He'll Seek Re-election

LITTLE ROCK (AP)—Rep. Dale Alford (D-Ark), the eye doctor who won a seat in Congress in a write-in campaign last fall, said yesterday he plans to seek re-election.

Alford returned to Arkansas for a stump tour of the Fifth Congressional District before Congress reconvenes Jan. 6.

His position as a staunch segregationist is unchanged.

"I'm convinced that if we continue to have forced integration in the South it will damage our public school system seriously," he told a newsman.

Alford won his congressional seat on an extreme segregationist platform. He defeated incumbent Brooks Hays in the November, 1958, general election. Only 14 of 100,000 voters in the district voted for Alford, after an investigation, confirmed his victory.

Alford said he had no plans to seek a higher political office. Asked if he might run for the Senate seat of Sen. John McClellan in 1960, he replied, "Oh, that's absurd."

And asked if he might run for governor, Alford said, "That's a new one."

His stump tour includes speaking and visiting in all six counties of his district.

Cozy corner of this modern child's room is reminiscent of the old-fashioned nursery. Comfortable low bench is just right for reading aloud session with mother.

Operation on Siamese Twins Brings Death

CHICAGO (AP)—A difficult attempt to save the lives of tiny Siamese twins by separating them has ended in their deaths.

Mary Helen Schultz died during the operation Thursday. Marie Ellen Schultz died Thursday night, 4 hours and 40 minutes after the surgery was completed.

The girls together weighed 11 pounds, 10 ounces at their birth four days ago. They were joined at the abdomen. They were unable to take enough nourishment to sustain life.

Dr. Willis J. Potts, surgeon-in-chief of Children's Memorial Hospital, said surgery offered their only chance to live.

But, in the course of the three-hour operation, an eight-member surgical team made two discoveries: The twins shared a single heart and a single liver.

That meant that only one could retain the organs and be saved.

"There was no chance for both to live," Dr. Potts related. "Circumstances were such that we could only give Marie Ellen her better physical shape. But the heart was badly deformed and had one auricle instead of two. There have been a number of separations of Siamese twins linked at the abdomen. But Dr. Potts said this was the first instance of surgical division involving interdependent circulation and respiratory systems.

The father of twins, Elvin Schultz, a Gary, Ind., insurance adjuster who lives in Chesterston, Ind., stated before the operation that, but better than nothing.

Mallory was finding it good to be alive. It had been a long time since he had taken any great satisfaction just from living. But today he rode the decrepit old bus like a knight's charger and he smelled the air, enjoying the old-fashioned fragrance, and now and then he broke into cheerful whistling.

The tide was ebbing and Mallory was surprised to discover that the great heaps of slotted metal deposited at the high water mark. He had heard of a certain section of Baja California's shoreline that served as the ocean's dumping ground, where a conjunction of currents deposited the refuse of this was the spot. Certainly, it could be. Wooden crates, bottles, swab-handles, curved and splatted planks from all sizes of boats, a life-ring, oil drums, barnacled timbers, a coconut, a waterlogged cushion, a jet plane's wing-tank.

A glint of light caught his eye. He dismounted and picked up the object, a hollow glass ball smaller than his fist, a float from a sun and sea had turned the clear glass indecent, as softly lustrous as his mother-of-pearl. Mallory turned over, admiring the play of colors. It occurred to him that perhaps Cloris would care to have it — it was the sort of odd attractive item she might like — and he nearly put it in his pocket for this reason.

He suddenly felt a desire to surrender completely, to ride back to the village immediately and give the bauble to Cloris, just to see what she'd say about it. And though he had found no trace of the smugglers, the glass ball made the day not a complete loss.

Celonez Aguilar's vigil was made the more gallant by the suspicion that it would prove fruitless.

At first, the afternoon had gone rapidly because he was busy. On a bank above the rock cairn, from a short distance downwind, a branch of brush, leaves and tree branches, to serve as concealment. By the middle of the afternoon he had worked out all angles, and that was a target at the end of his rifle. The more he had time to think about this was far from a sure thing.

Nikita Bubbles at Soviet Reception

By JOE F. KANE
WASHINGTON (AP)—Premier Nikita Khrushchev bubbled in high spirits as 300 guests dined on delicacies at a fancy Soviet Embassy reception.

He patted his stomach in explaining to Vice President Richard M. Nixon that he had energy in reserve after his cross-country travels.

He had a big bear hug for pianist Van Cliburn — and got a big kiss on the cheek in return.

He handily fired barbs at a couple of high U.S. officials about trade — or the lack of it — with the Soviet Union.

He was all smiles Thursday night as he greeted government leaders, diplomats, industrialists, famous hostesses.

Cliburn, the young Texas pianist had won fame with his success in a Moscow Music competition, got one of the warmest greetings of the evening.

The orchestra swung into a Tchaikovsky concerto as the lanky young musician entered. When the bear hugging and kissing were taken care of, Cliburn moved along the receiving lines and planted a big kiss on Mrs. Khrushchev's hand. He had sent three dozen roses to the Soviet first lady earlier in the day.

Champagne, cognac and an assortment of dry Caucasian wines and sparkling mineral water.

Large ice sculptures of fish held bowls of Caviar flown in from the Soviet Union.

The fancy buffet was spread with jellied perch, a Soviet lamb dish, tiny hot dogs, shrimp, roast turkey, chicken liver pate, smoked sturgeon, pickled white mushrooms, assorted canapés, salads, cheeses, fruits and ice cream.

After Nixon and Khrushchev had exchanged greetings and the Premier had patted his stomach while reporting his "reserve of energy," Nixon quipped that the energy was "like an iceberg — partly hidden."

"We're not like you," Khrushchev replied. "We are completely in the open as far as our politics are concerned."

The Premier greeted Undersecretary of State Douglas Dillon with enthusiasm, then wagged his finger under Dillon's nose and said:

"So you're the one who's blocking trade between the Soviet Union and the United States?"

Dillon is in charge of economic policy at the State Department. Secretary of Commerce Fredrick H. Mueller drew this comment from the Premier:

"There is a secretary of commerce, but no commerce with our country."

It's the look of the 1930's for airline hostesses who will fly coast-to-coast with the new jets this fall. Camel-colored coat, with matching princess dress, is made of wool jersey. Wrap coat is cut with deep revers and three-quarter sleeves.—By GAILE DUGAS, NEA Women's Editor.

Treasury Is Seeking Help of Investors

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—The Treasury is looking for help today from the 46 million investors who are widely labeled unsophisticated.

It hopes that it is making their 42½ billion dollars worth of U.S. savings bonds attractive enough for them to hold on to, so they'll stop turning them in at an embarrassing rate.

It even hopes—but with much more wishfulness—that they will buy more.

The Treasury needs the money, because government expenses are so high. It also wants to stop the drain on the cash it has, caused by the excess of redemption of savings bonds over sales.

That is what is behind the hike in yields on Series "E" and "H" bonds to 3 per cent which President Eisenhower has just approved.

For the 40 million it's in a sense just a lucky windfall. They'll get more now because the Treasury is having financial troubles.

Many have been turning in their savings bonds because they could get more for their money if they put it into other forms of investment.

But many have gone right along buying them anyway. Some \$1.2 million have been doing so through payroll withholding plans.

Why do they, when the sophisticated saver has been getting higher returns by buying stocks or other kinds of bonds or real estate?

For one thing, a government bond is just about the safest risk there is. If the U.S. government should go under—the most unlikely thing in the world at the moment—what else would be worth a plugged nickel?

And for millions the payroll reduction plan is about the only way they can be sure of saving anything. Millions now look upon their take-home pay as their real pay. They're conditioned to ignore what is deducted.

And once the cash is in hand, many of us—maybe most of us—find it trickling right through their fingers, sometimes mysteriously. To save at all, the \$1.2 million feel the payroll saving plan is the only way.

Others go on buying, or holding, savings bonds out of habit. The yield has been unattractive for some time and Congress has been loathe to add to the government's growing bill for interest payments—now in excess of eight billion dollars a year—by authorizing a hike in rates on savings bonds. But it's a way to save—a safe nestegg for the day when a family emergency arises.

And many don't feel they're as sophisticated as other investors claim to be. They're scared others stuck with a lemon when they took a fling at buying stock, or real estate for that matter.

But for many have been casting in their hands and too few buying them, for the Treasury to feel happy. The total of outstanding bonds has slumped for four straight months as redemptions topped sales.

The Treasury will now find out if a 3 per cent return is enough to reverse the trend.

Peat moss pots, top, permit roots to grow right through pot. Pot can go right into the ground. Test plantings of African violets, bottom, left and right, are compared to conventional potting, center.

THE DARK FANTASTIC BY WHIT MASTERSON

THE STORY: Already the deadly plague, brought into Mexico by smugglers, has started taking its toll of lives. Rose Mallory and Cloris Howard, with the U. S. border services, and Colonel Aguilar, a Mexican official, are trying to catch the smugglers and check the spread of the disease.

CHAPTER XVII

Francisco Montijo was patriotic, shrunken of body but dignified in his bearing, with a stern leathery face that gave no hint of his grief. To their surprise, he made no objection when informed of the reason for their presence.

"It was the spirits of darkness," Montijo said. "All night I fought with them but their magic was stronger than mine. The spell would not lift. I failed my grandson."

"It wasn't a spell, Senor Montijo. Don't blame yourself."

"I brewed flea tea," Montijo continued as he hadn't heard the strongest charm of all. He went on to relate how he had stuffed an egg down a snake's throat and beaten it until he had an omelet which he mixed with turned owl feathers. But the boy had been too far gone to eat it. Cloris listened with morbid fascination in the recital, given as might of fact by any physician had described the treatment he had administered. Ten brewed common plague carrier of all. Not that it would have made any difference, probably. The disease struck children down so quickly Montijo was saying. "It was only afterward that I discovered it and knew why my simple magic was powerless."

"It?" Cloris asked sharply.

Montijo pointed a long bony finger at one corner of the hut. At first, she thought it was a doll but when she looked closer, she realized it was not. It was an elongated metal statuette unlike any she could recall seeing. Certainly not Mexican in origin, it was a warrior of some sort holding high a spear.

"Where did this come from?"

"It is a demon and it came here to catch Juanito. It hid itself very cleverly among his belongings, knowing that I must not discover its presence until it was too late."

Cloris frowned at the exotic figuring, trying to establish a connection she felt sure must exist. A dead boy and a strange idol, them and the smugglers? Suddenly, it made sense. The cargo, the mysterious crates packed with straw. . . . Somehow, Juan Montijo had some into possession of a portion of the contraband. He said, "I'd like to take the demon with me."

Montijo shrugged. "As you wish. It has done its work here. I know that I soon will go to join my grandson." He sat down on his cot, legs folded beneath him, head bowed as if awaiting his fate.

Cloris studied him a moment, seeking a comforting phrase but more to find out if he was really not so much a demon as a man. She realized that the little idol in the corner protected.

Kidnaper Gets 35 Years in Prison

FAYETTEVILLE, Ark. (AP)—A 39-year-old truck driver convicted of kidnaping a young Springdale girl has been sentenced to 35 years in prison.

Vernon Eastep of Rogers had pleaded innocent by reason of insanity. His attorneys contended he was not aware of his actions at the time.

An all-male Washington Circuit Court jury deliberated only 23 minutes last night before reaching its verdict. The trial itself lasted only 12 hours.

Eastep was charged in the abduction of Barbara Ann Wentz, 6, Her disappearance July 1 touched off a search throughout north-west Arkansas. She was found by police early the next morning with Eastep in his car east of Rogers. She had not been harmed.

Defense attorneys did not announce any plans to appeal.

Prosecutor Ted Coxsey had asked for a maximum sentence of 99 years.

The lanky Eastep was given a 30-day mental examination at the State Hospital but was pronounced sane.

Garland Jury Okays Vote on Gambling

HOT SPRINGS, Ark. (AP)—A vote on the question of legalized gambling is recommended by the Garland County Grand Jury. Until the vote is allowed, the jury said, every effort should be made toward "sealing up the situation" in the county.

The jury, in its final report on the March term yesterday, also proposed a 50 per cent increase in an "amusement tax" levied on gambling establishments. The year-old tax, sealed according to the size of a casino, has brought in about \$120,000. The funds have been set aside for a new city auditorium.

On the gambling issue, the jury repeated the stand of a previous panel in calling for a vote.

"It is believed that a substantial larger financial benefit should accrue to the community from these privileged (gambling) business establishments," the report said.

State Sen. Q. Byron Hurst of the last Legislature seeking an election on legalized gambling but it was defeated.

The jury also recommended an increase in the size of Hot Springs police department.

that it would be fine to have the two babies or even one.

"If neither of them lives, I feel it probably was meant to be that way," he added.

The mother Marilyn, still in a hospital at Valparaiso, Ind. where the twins were delivered Sunday by Cesarean section.

The parents, both 8, have three other daughters.

Iowan Corn Farmer Back to Normal

By WILLIAM L. RYAN

DES MOINES, Iowa (AP) — Iowa's corn belt farmers turned back to their normal placid lives today after a day with the human dynamo who bosses world communism: Nikita Khrushchev.

Few of those who participated in that lively day were likely to forget it for a long time. The Soviet Premier look off Wednesday night, tired but still happy at his Iowa reception, for Pittsburgh and another round of strenuous touring.

His personal physician, A. M. Markov, seemed unworried by his charge's health, feeling that "when a man smiles, he is in good health." Apparently, said the doctor, American food agrees with the Premier.

The fatigue which had been apparent in Khrushchev's features seemed to drop away as he pursued his favorite subjects—corn, communism and international politics.

He had been through quite a day. On farms near Coon Rapids, he tramped through cornfields. He trudged from farm building to farm building, learning about U.S. ideas on livestock feeding, a topic in which he is passionately interested.

He opined publicly that while God has helped the Iowa farmer become the success he is today, "He is helping us, too," because "we are developing quicker, and therefore God is on our side." Khrushchev is an avowed atheist whose official policy is to discourage and stamp out religion in Communist nations, but he often calls rhetorically upon the Deity.

He argued amiably with his host, former Roswell Garst, about Garst, allowing that if he didn't, "friend Garst might have his nose too high in the air."

He was pursued throughout the day by hordes of newsmen and photographers over the Iowa landscape, and jokingly tried to shoot them away by threatening to "turn the bulls loose" on them.

He packed away an enormous farm-style Iowa lunch, under a huge brown tent hard by the swimming pool of the Garst farmstead.

After saluting Iowa's farmers as "a very wise, intelligent people," Khrushchev was whisked off by car to Ames and Iowa State University, where he got a local American technique in hog-raising.

And he got a look, too, at the

A late summer hairdo that can be combed several ways is the one that makes sense. The two hair styles here answer qualifications; one haircut produces two different styles. Here, full front bangs (left) are combed across the forehead. Top is slightly wavy and sides curl forward. Hair is recombed (left center) into a formal curl with bangs smoothed across the forehead. Jeweled crescent adds note of glamor. Soft culture (right center) with fullness at sides has light, wispy bang. It is combed (right) forward in modified bouffant for a change. In this style, side fullness is smoothed down and crown is very nearly smooth. All styles shown here are by Albert Carter of New York.

Sleek and shapely wool knits are ready for fall and a busy life. The two shown here are Kimberly designs, could travel, go to the office, to club meetings, or afternoon gatherings. Three-piece suit a la Chanel (left) has intarsia knit overblouse. Suit (right) in oxford gray has belted top with wide collar over slim skirt.—By GAILE DUGAS, NEA Women's Editor.

DOROTHY DIX

Perfectionist Can't Please Himself, So Don't You Try

Dear Dorothy Dix: I am married to a man who is so exacting that he expects perfection from everyone. He thinks our home should be in perfect order at all times. We have a little girl who has just reached the walking stage. She is happy, healthy, well kept but she does occasionally upset the house. My husband loves her dearly, but never plays with her. He is always busy making improvements in the home. According to everyone else, our house is exceptionally clean. I'm a good cook but nothing I do satisfies my husband. Even his mother and sisters compliment me, but never a word of praise I get from my husband. He claims I'm a poor housekeeper, inefficient, and incapable. It's getting so I no longer take pleasure in the house.—Josie

Dear Josie: Your husband is a perfectionist with a standard of efficiency that neither he nor anyone else could meet. He can't even please himself. He's not happy, and no one around him can ever be. Stop trying to reach his ideal. You'll become a nervous wreck if you do, and so will your child. A happy home is much more important than a perfectly run house. You're not a hotel keeper, you're a homemaker. You must teach and guide your little girl. This takes time and is more important than waxing the furniture every day. Stop driving yourself. Sit your husband down, after a good meal, and tell him you simply cannot meet his impossible standards. That you think other things are more important anyway, and that you are concentrating on making good as wife and mother, not in being a robot who does nothing but clean.

Dear Dorothy Dix: Please send me your leaflet, "Better Home Management." I wash on Mondays, iron on Tuesdays, mend on Wednesdays but my housecleaning, which should be finished in two months in the spring, drags on into August. I have no one to cook for but myself. On Saturdays I try to clean up my big kitchen and not-so-big bedroom. Dishes and dusting are what let go when I have to leave everything to go to a certain place at a certain time. (I'm local correspondent for a newspaper and have a big territory to cover.)

university's home economics students at their studies in washing, ironing, cooking and other home chores.

Khrushchev turned courtly, and pronounced them "very nice girls." But he was at a loss to understand why they were so assiduously pursuing those studies.

"We don't have such schools," remarked the Soviet boss. "Our mothers have to teach that."

He wished the girls success, but added that "the main thing is to find a good husband."

Hoffa Says No Locals Will Secede

ATLANTA, Ga. (AP)—James R. Hoffa, president of the Teamsters Union, said today it is ridiculous for anyone to suggest some locals may secede from the union in a move to thwart a cleanup drive directed by court appointed monitors.

Hoffa denied that he had discussed such a move with others. The Nashville Tennessean, in a news story from its Washington bureau, said Hoffa reportedly was advised by his attorneys that the secession plan would remove various local unions from scrutiny of the monitors. The paper quoted an unnamed spokesman for Hoffa.

Hoffa is in Atlanta for conference.

Dear Dorothy Dix: How can I find the right words to tell my parents I want to change my religion? Neither of my parents is very religious but my mother is very much against the church. I want to join. Father says the important thing is to attend church, no matter where. My fiancé is deeply religious and since seeing how much his faith means to him, I'd like to share it.—Libby

Dear Libby: Your responsibility is more to the family you are about to start than to the one you are leaving. Your mother will undoubtedly be hurt at your change of religion, but when she realizes how happy it is making you, she'll be content. Be sure that the change is motivated by conviction, not by a desire to please your fiancé.

Texarkana TV Station Plans Expansion

TEXARKANA, Tex. (AP)—Television Station KCMC-TV had the go-ahead today on a half-million-dollar expansion program, which will triple its potential audience and assure Shreveport, La., of the benefits of another national network station.

The Federal Communications Commission (FCC) yesterday granted KCMC-TV's application to erect a 1,500-foot tower near Vivian, La.

Walter E. Hussman, president of KCMC-TV said this will enable the channel 6 station to extend primary service to an area of approximately 90,000 population, three times the population it now serves.

In his news conference Wednesday he termed the new Landrum-Griffin labor control law a disgrace to Congress and called for its repeal on the ground it would penalize both union and nonunion workers.

Hussman said the new facilities will transmit a serviceable signal to four states and will be the only TV station providing a grade A signal to both Texarkana and Shreveport. The KCMC-TV signal will reach into additional areas of Arkansas and Texas as well as Louisiana.

KCMC-TV studios and offices will remain in Texarkana.

In making its application to the FCC, KCMC-TV pointed out that the two Shreveport stations put a serviceable signal into Texarkana in competition with KCMC-TV but that the Texarkana station was not able to provide a serviceable signal into Shreveport.

Hussman said preliminary planning for the new tower near Vivian, La., was well under way. Construction, he said, should be started in the last quarter of this year and should be completed within the first quarter of 1960.

Hussman said the new facilities will transmit a serviceable signal to four states and will be the only TV station providing a grade A signal to both Texarkana and Shreveport. The KCMC-TV signal will reach into additional areas of Arkansas and Texas as well as Louisiana.

KCMC-TV studios and offices will remain in Texarkana.

In making its application to the FCC, KCMC-TV pointed out that the two Shreveport stations put a serviceable signal into Texarkana in competition with KCMC-TV but that the Texarkana station was not able to provide a serviceable signal into Shreveport.

Hussman said preliminary planning for the new tower near Vivian, La., was well under way. Construction, he said, should be started in the last quarter of this year and should be completed within the first quarter of 1960.

Drysdale Faces Cubs, Burdette Against Phils

By ED WILKS
Associated Press Sports Writer

It's Don Drysdale, working in a jinx park, for Los Angeles and Lew Burdette, facing a club he hasn't been able to beat since May, for Milwaukee as the National League pennant race barrels into the final weekend looking like it'll never end.

Drysdale faces the Chicago Cubs at Wrigley Field today for the Dodgers, deadlocked with Milwaukee for first place with three to play.

The Braves, playing a night game, will have either a psychological lift or a grim reminder — depending on the Dodger result — on the scoreboard — when they go against last place Philadelphia at Milwaukee.

The race could end in a tie between the Braves and the Dodgers. They then would meet in a best-of-three playoff, opening at which one will meet Chicago's American League champion White Sox in the World Series.

The San Francisco Giants could make it a three-way tie for first. Going into their final three games at St. Louis tonight, the Giants are hobbling with a five-game losing string, their longest of the season. To gain a tie, the Giants will have to sweep the Cardinals and pray the Dodgers and Braves each lose twice.

Chicago's Cubs, who crashed the Giants' hopes with a two-game sweep, could be just as chilling for the Dodgers. Only the Cubs (10-9) and Cincinnati (13-9) have an edge over Los Angeles for the season.

Drysdale (17-13) has only a 2-3 season record against the fifth place Cubs. And he's managed to win just one of five decisions at Wrigley Field in his four-year career.

The Cubs will start Glen Hobbie (16-13), their biggest winner, since Bob Rush won 17 in 1952. The young right-hander is 0-2 against the Dodgers.

The Dodgers, with slugging first baseman Gil Hodges apparently none the worse after taking a pitch on his left forearm at St. Louis Wednesday, figure on southpaw Johnny Podres Saturday and Roger Craig Sunday.

Milwaukee, knocked off a four-game streak Wednesday at Pittsburgh, has a well-rested Burdette ready for the Phils. Burdette (21-14) hasn't worked since Sunday — when he missed the decision — in an 8-5 victory at Philadelphia. The rugged right-hander has won three in a row since he dropped an 11-5 game to the Phils September 2.

He's lost three straight to the Phils since May 22 and stands 3-3 against 'em for the year.

The Braves, a 3-3 pick to win the flag, you have to bet \$3 on them to win \$5, probably profited the most from the day off each of the contenders had Thursday. The extra day of rest may have lifted center fielder Billy Brubaker (twisted ankle) and shortstop Johnny Logan (injured toe) back into the line-up for tonight's game against Don Cardwell (9-10, 2-2 vs Milwaukee).

The Giants go with Sam Jones (20-15), who has lost three in a row, against the Cardinals' Vinny Bend Mizell (13-9). The odds are 50-1 that San Francisco won't make it.

In the AL, Chicago Manager Al Lopez will be scouting the Dodgers while his White Sox run out the string at Detroit. The Tigers are struggling with New York for third place.

The Yankees, playing Baltimore, need just one more victory to nail it — their lowest finish since 1945.

Cleveland's Cal McLish shoots for his 20th victory in the second game of a two-night pair with Kansas City. Washington is at Boston with the Senators' Bob Allison needing one more run in the AL rookie record of 31 set in 1939 by Ted Williams.

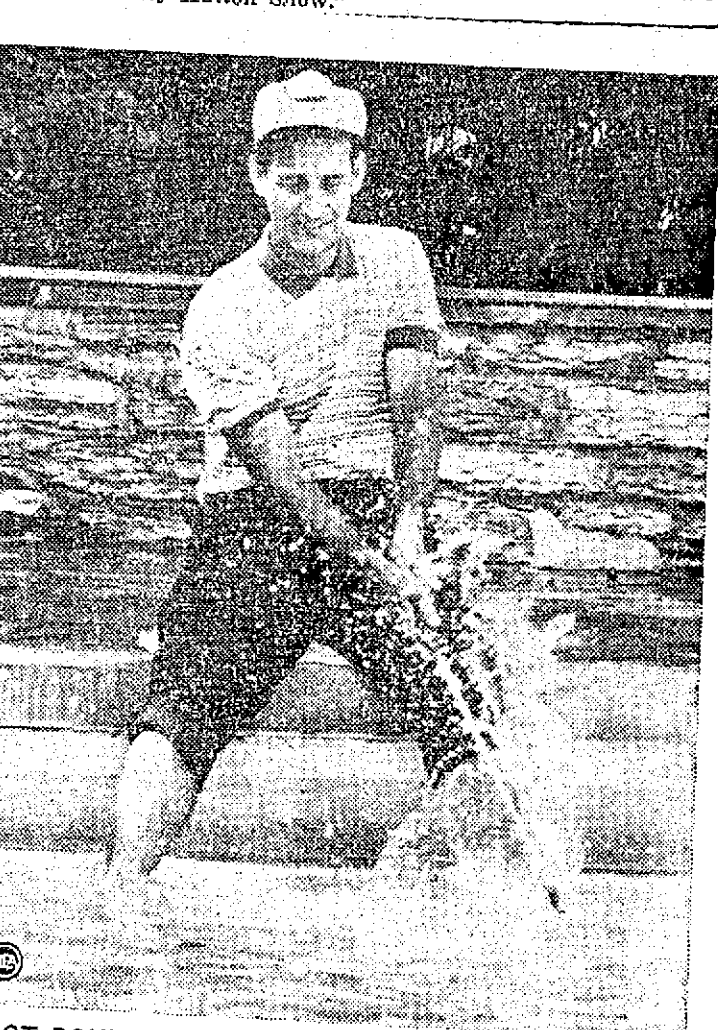

Smallest U. S. territory is Kingman Reef, south of Hawaii. It is 150 feet long and only 120 feet wide.

OH, THAT CAD. HE—French-American industrial designer Raymond Loewy sits in his version of a Cadillac. He sleeked-up, dechromed and face-lifted the car for a Paris auto show. Loewy doesn't plan to take it to Detroit "because they would probably stone me."

Betty Hutton plays ex-show girl "Goldie" and rides herd on wealthy wards Richard Miles, Dennis Joel and Gigi Perreau (real names) in her new, fall TV show, "Goldie is me," says Betty, of the tears-and-laughter production. It's to be known as "The Betty Hutton Show."

HOT ROUND—With the sun pushing the mercury well into the 90's, Glen Hobbie of Oklahoma City cooled his feet as well as a hot putter after a round in the Trans-Mississippi tourney. Play was over the Woodhill course in Minneapolis.

News Briefs

JONESBORO, Ark. (AP)—John Skinner, 55, of Leachville, was killed last night when a car in which he was riding collided with a trailer-truck on state Highway 71 near here. Skinner's son, Walter, 23, who was driving the car, escaped with minor injuries.

LITTLE ROCK (AP)—The divorce suit filed in chancery court last week against State Land Commissioner Sam Jones was dismissed yesterday by Chancellor Murray O. Reed. Jones' wife, Dr. Tena S. Murphy Jones, a chiropractor, had alleged general indignities.

CLEVELAND, Tenn. (AP)—Oscar M. Lemley, 63, of Walnut Ridge, died of an apparent heart attack last night while driving on state Highway 11 four miles south of here. His car plunged into a ditch and he was pronounced dead on arrival at a Cleveland hospital.

JONESBORO, Ark. (AP)—A swift, silent thief stole a bag containing \$4,000 last night from an elderly store owner, A. Amos Hall, who operates a Bay variety store, said he placed the bag on a porch at his home after parking his car and returned to the garage to turn on the lights. When he returned a few seconds later, the bag was gone.

WAGONER, Okla. (AP)—The body of Karl Thomas Kuetmann of Fort Smith was recovered yesterday from Fort Gibson Lake near here. Kuetmann drowned Sunday when he fell from a motor boat.

PARKDALE, Ark. (AP)—The 64-year-old remains of a 64-year-old man were found yesterday in a remote cabin in Garland County. Police theorized that one or more animals had attacked the body but said it was impossible to tell which the man, Herman Harris, had been killed.

Juniors Down Texarkana Team 12-6

By TEDDY JONES JR.
Hope Star Sports Writer

The Hope Junior High School Bobkittens defeated the Piggies of Texarkana, Arkansas Junior High 12 to 6 last night at Burman Field.

The victory of Coach Gordon Beasley's Junior Cats was the first scored over the Piggies in eight years. Two lightning-like touchdowns in the first half spelled the difference.

Roy Wray, Bobkitten halfback, scored both Hope touchdowns. In the first quarter Wray intercepted a flat Piggie pass on his own 30 yard line and outran all pursuers for a 70 yard TD. Line play for extra point failed.

Midway in the 2nd quarter Wray pulled in a deflected Portfield Aerial covering 30 yards for Hope's final score.

Recovering a fumble at midfield following the second half kickoff the Piggies drove all the way for their only touchdown.

Texarkana dominated play throughout the second half and the Kittens though outgained were able rack up their second win of the year. The opener with Prescott was won by a 21 to 0 score.

Next week's game finds the Bobkittens traveling to Camden to meet the Junior High Panthers.

Porkers Go to Hot Springs

FAYETTEVILLE, Ark. (AP)—The University of Arkansas Razorbacks trek to Hot Springs today for a workout and layover before their game against Oklahoma State University at Little Rock.

Favored by two touchdowns over the Cowboys, the Hogs will not have first team fullback Joe Paul Alberty in the lineup. He has a sprained ankle and sophomore by them or died of natural causes.

LITTLE ROCK (AP)—Nine white Little Rock Central High School students, suspended last week after they walked out of class to protest admission of three more Negro students, today set a chance for possible reinstatement. The school board plans to meet with the suspended students and their parents.

KANSAS CITY, Mo. (AP)—Two Arkansans have been elected to the Midwest Newspaper Advertising Executives Assn. Jack Herndon of the Arkansas Democrat was elected to the board of directors and George Gearhart of the Northwest Arkansas Times of Fayetteville was elected secretary-treasurer in a meeting here last weekend.

Hope vs. Bucks Contest Always a Rugged One

Team spirit and school spirit is at a season's high for the opening 4 AA Conference game of the year in Hammons Stadium next Friday night between Coach John Pierce's Bobcats and Coach Skip Hays Buckaroos.

Both Hope and Smackover enter the contest with 1-1 records. The Bobcats defeated in a hard battle with the Zebras and conquerors over DeQueen 25 to 20 last week jumped in rating polls last week.

The Buckaroos dropped a 14-12 decision to Benton in their opener and last week took Fairview of Camden, conquerors of the Camden Panthers, by a 19 to 6 score. The Fairview game was a conference victory for the Bucks.

Smackover was the pre-season favorite of the coaches and sports-writers to cop the title in District 4 AA. Speedy backs bolstered by a 190 pound line make the Bucks formidable contenders.

The Cats, underdogs in their last two games, are reported to be in good physical condition and are rated one point favorites in some state forecasts.

In one newspaper poll released Wednesday the Hope Bobcats were ranked as No. 5 in Arkansas and No. 1 in State AA ranks. The AP poll lists the Bobcats as No. 11 in Arkansas.

Some fans predicted a let down in team spirit following the DeQueen victory, contending that Coach Pierce would have a difficult time keeping the Cats "high" for two consecutive weeks. Observers are quick to point out that there has been no let down on the part of the Bobcats.

A pep rally will be held at Hope High School Friday morning. School will be dismissed a little early and a downtown parade with the Hope High Band, Cheerleaders, Pep Squad and Student Body participating will attest to the high school spirit being shown by the students and faculty.

Calendar of Events
Saturday, Sept. 26
The YWCA's of the Garrett Chapel Baptist Church will sponsor a weiner roast at the home of Patsy Dennis Saturday night, Sept. 26. The public is invited.

Sunday, Sept. 27

Rockets Blast Malvern in Thurs. Game

By THE ASSOCIATED PRESS
The Catholic High Rockets of Little Rock verified their top Arkansas Class AA rating last night with a resounding 27-0 victory over unbeaten Malvern.

The Rockets were listed seventh in the state this week by the Arkansas Sportswriters Assn., behind six Big Nine teams.

The Catholic High-Malvern game was the only one scheduled last night featuring AA competition. Tonight a bumper crop of top AA jousters are carded.

The Big Nine Conference has a slow week, league-wise, except for two hot battles, Fort Smith at Pine Bluff in the game of the week, and Little Rock Hall at North Little Rock ranks close behind.

Defending champion El Dorado, ranked first in the state this week, meets tough Fair Park of Shreveport in El Dorado in a non-conference game. And winless Hot Springs battles an excellent AA club—Benton—at Hot Springs.

Overall, the high school schedule shows some good matchups. Rogers and Van Buren tangle in a key IAA game that is rated a top last week, tackles Jonesboro on crucial 2AA game. And Conway goes against Russellville in a top 3AA battle.

Smackover and Hope jockey for the lead position in 4AA in a game at Hope. The Bobcats upset DeQueen last week and are one-point favorites over the Bucks.

Fayetteville is favored over Subiaco in a IAA game and Crossett holds an edge over Magnolia in a 4AA contest.

The Pine Bluff-Fort Smith encounter should provide Pine Bluff fans with some of their best football watching of the season. Coach Bill Stancil's Grizzlies from north-west Arkansas know that a loss means the second division for them since they lost to El Dorado last week, 12-6.

Pine Bluff can grab a tie for the league lead with the winner of the Hall-North Little Rock game by beating Fort Smith. The Zebras are a one-touchdown favorite, and Texarkana, the other Central Big Nine teams, are off this week.

Curtis Cox will replace him. A light rain scattered the Porkers in their workout yesterday when they ran against OSU defenses and defenses at half speed tackle Jim Hollander has a sore forearm night.

The team will work out in Hot Springs, spend the night there and go to Little Rock tomorrow afternoon.

PAGE ONE

DO YOU REALIZE WHAT IT WOULD HAVE COST TH' COMPANY IF WE HADN'T CAUGHT YOUR MISTAKE IN THAT BLUE PRINT?

LOOK AT IT! AND ONE OF TH' DUMBEST MEN IN TH' SHOP CAUGHT TH' MISTAKE RIGHT AWAY! WHO MADE THAT DRAWING, YOUR OFFICE JANITOR?

LOO! AT! 'EM! RUBBIN' IT IN! YOU'D THINK GUYS AS HIGH UP AS THEY ARE WOULD TRY TO WORK IN HARMONY!

CONTRARY TO ALL OPINION, IT AIN'T HARMONY THAT MAKES SUCCESSFUL COMPANIES-- IT'S NOBODY AGIN EACH OTHER. I CAN KNOW OF A BIG COMPANY THAT HIRES BOSSSES THAT HATE EACH OTHER AND WORK THEIR HEADS OFF TRYIN' TO SHOW EACH OTHER UP.

PAGE TWO

HEH--HEH! IT'S NO SURPRISE THAT YOU FAILED TO RECOGNIZE ME, FAIR LADY-- WE HOOPLES CUSTOMARILY MOVE IN MORE CLASSICAL CIRCLES WHEN IT COMES TO MUSIC!-- HAK-KAFF-- WHERE, MR. DADDIO JACKSON'S OFFICE? I'VE DECIDED TO GIVE HIM THE HONOR OF INTRODUCING MY NEW SONG ON HIS RADIO PROGRAM.

DADDIO SURE DRAWS THE CUBES! THE RIG ON THIS ONE WAS HOT STUFF WHEN GAS LIGHT WAS THE LATEST MARVEL!

SORRY, MR. JACKSON SEES BY APPOINTMENT ONLY-- WOULD FEBRUARY BE CONVENIENT FOR YOU?

OUR BOARDING HOUSE

HEH-HEH! IT'S NO SURPRISE THAT YOU FAILED TO RECOGNIZE ME, FAIR LADY—WE HOOPLES CUSTOMARILY MOVE IN MORE CLASSICAL CIRCLES WHEN IT COMES TO MUSIC!—HAK-KAFF!—WHERE IS MR. DADDIO JACKSON'S OFFICE? I'VE DECIDED TO GIVE HIM THE HONOR OF INTRODUCING MY NEW SONG ON HIS RADIO PROGRAM.

DADDIO SURE DRAWS THE CUES—THE RIG ON THIS ONE WAS HOT STUFF WHEN GAS-LIGHT WAS THE LATEST MARVEL!

SORRY, MR. JACKSON SEES BY APPOINTMENT ONLY—WOULD FEBRUARY 3 BE CONVENIENT FOR YOU?

Zeller Holly was the only four-
year letterman on the Bobcat team
in 1937.

MOBOT AND THE MEN—A remote-controlled, mobile robot—called the "Mobot Mark I"—made its debut recently. It is described as man's replacement for man in radioactive areas. Resembling a thinking man's fork-lift truck, Mobot Mark I television-camera eyes enable an operator in another room to watch the screens and send electrical messages telling the metal fingers what to do. Mobot's first job will be at the Atomic Energy Commission's nuclear reactor at the Albuquerque, N.M., plant of Sandia Corp. Robert W. Henderson, left, vice president of Sandia, and Dr. John W. Clark of Hughes Aircraft Co., builders of the machine, give Mobot the once-over above.

Bible Comment

BIBLE IS RICH IN HUMAN VALUES

By WILLIAM E. GILROY, D.D.

The Bible's first, great value lies not in its incomparable place in literature, nor in its intrinsic interest as a human document. Of first importance, of course,

is the fact that the Bible is a book concerning God, revealing to man the gospel of the graces of God and the true way of life. Paradoxically, because of that very fact, the Bible is a book of, and for, man. Even if the Bible brings to man the new life that is its great purpose, he misses a vast part of what the Bible has to give if he does not know his Bible in all its varied and realistic story of human life. I have referred previously to a book by Louis Paul, "Heroes, Kings, and Men" because, as a

TV Writer Feels He Has Won Battle

By HAL BOYLE

NEW YORK (AP)—Red Sorling, one of the earliest and loudest of television's angry young men, is angry no more.

For years he engaged in a run-ning battle with the sponsors over his right to say what he wanted the way he wanted it. "I'm no longer a man," he smiled at a year-old ex-con who "Now I'm money making man."

Actually, Red, who has rung up more than any other TV writer, new role Oct. 2 as director of a weekly series of adventure in the pulpit and church.

I have been chiefly concerned with the spiritual and moral values of the Bible, but I have sought to relate them to daily life and problems.

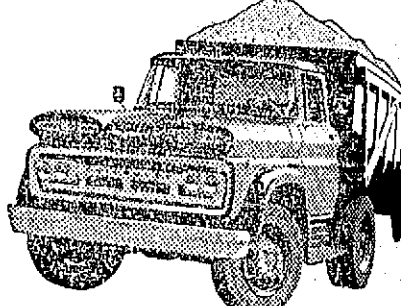

When I have written of Bible incidents, and Bible characters, I have endeavored to make them presently vivid and vital for life today as well as presenting them as incidents and characters in the far past.

The fact is that much in the Bible is downright sensational, and this is a reflection suggested by Mr. Paul's book, which in itself is not sensational, but skillfully drawn from the Bible itself.

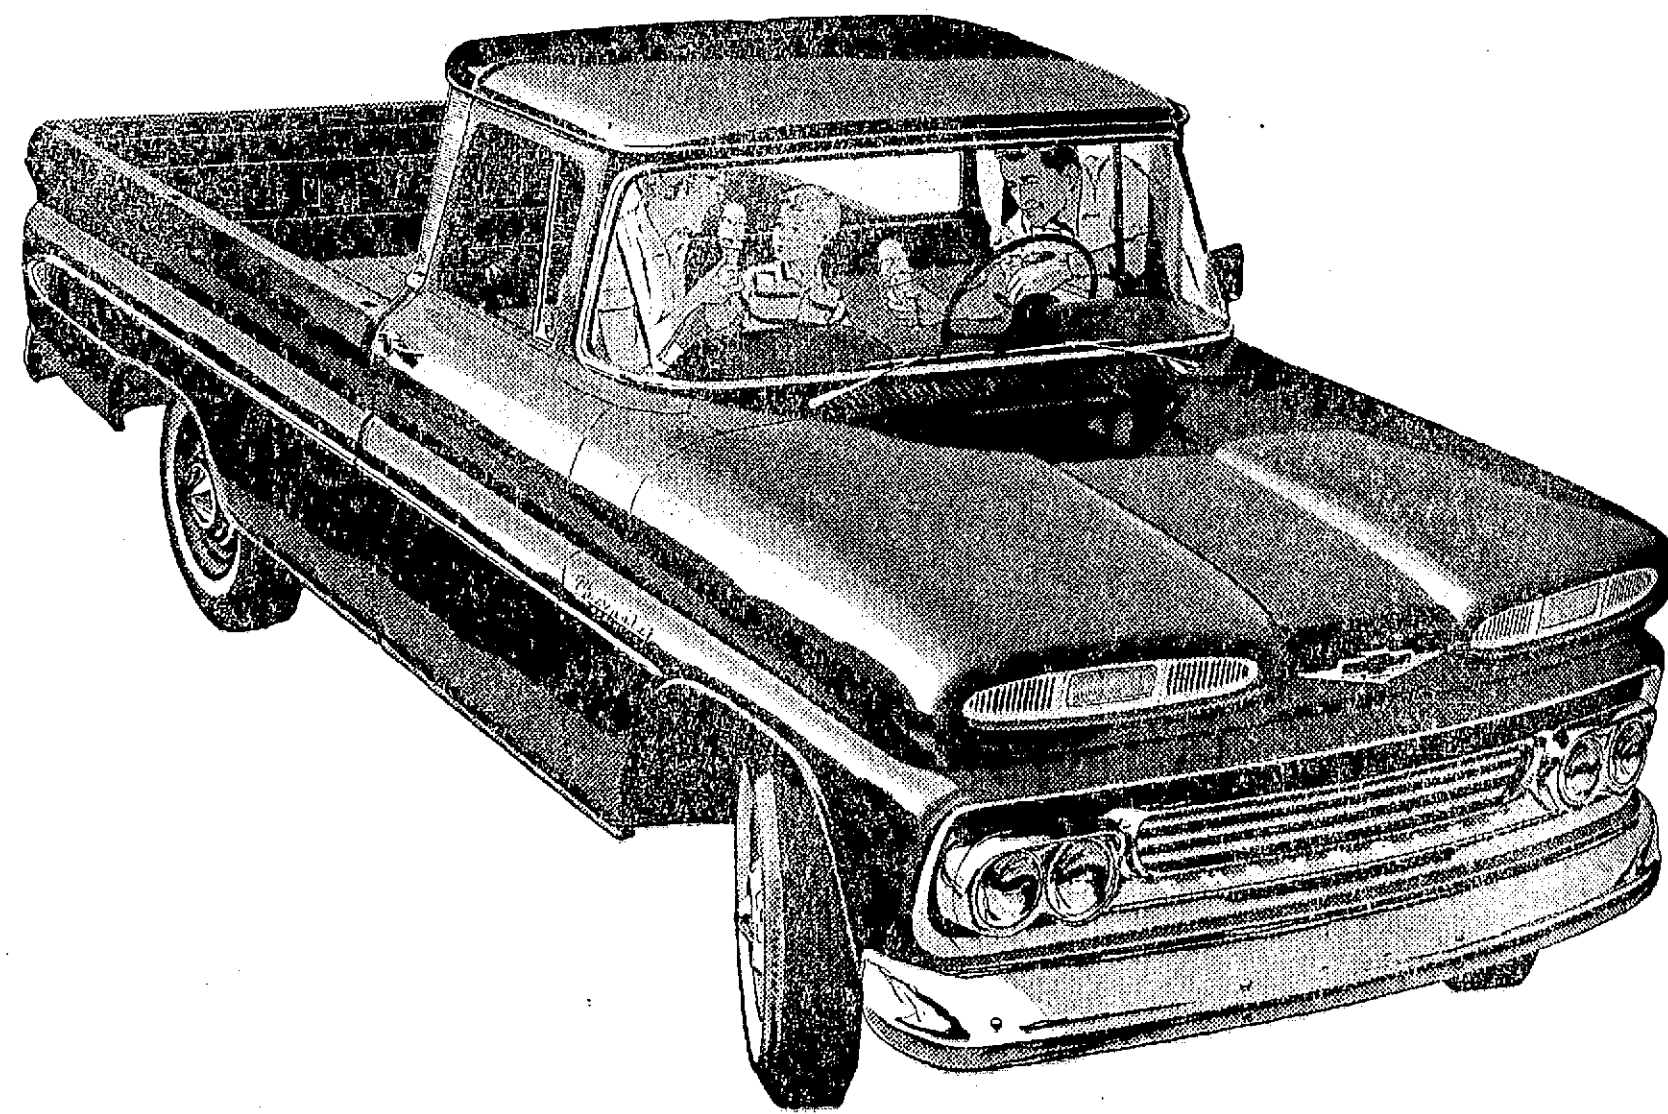

All of which points up the fact that the Bible is no compilation of dust-dry history. It is a vital, living document for living, a great wellspring and source of information concerning human values.

The Bible is best read in its entirety, of course. However, for proper, limited use in daily reading, there are many compilations, and condensations which prove most convenient and valuable.

They by-pass portions of the Bible, such as long genealogies, which prove of little interest to those other than the senior Bible students.

NOW... '60 CHEVROLET TRUCKS
WITH REVOLUTIONARY TORSION-SPRING SUSPENSION
THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!

Chevy's done the next best thing to paving every road in America!

First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.

Brawnier bulldozer build!

Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

More comfortable cabs!

Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!

Big in the power department!

With the industry's most advanced gas-saving 6's. With high-torque Workmags for V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s.

More models than ever!

New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

Anything less is an old-fashioned truck!

See your local authorized Chevrolet dealer

Nine Football Coaches in Last Quarter Century

By TEDDY JONES JR.
Hope Star Sportswriter

In the last quarter century there have been nine men who have held the position of head football coach at Hope High School.

The Hope coaches have represented a variety of colleges and universities and all have left their mark on the Bobcats record as well as the lives of many of our prominent citizens of today who were Bobcats in years past.

The span of the last 25 years as displayed by the various coaching systems represents the evolution of modern football varying from the short punt formation and Michigan spread formation of the early thirties through the "Chicken Fight" formation of the Hammans era, on to modern day T formations and flanker wingbacks.

Hope's coaches for this 25-year period have been:

J. B. Pierce, present head coach, came into his position in 1933. For several years he served as assistant coach under Turpin, Martin, and Eastminger. Pierce attended Southern State College where he played center on the Mulerider team.

Preceding Pierce was Leon Turpin, another Southern State product and halfback teammate of Pierce's while in college. Turpin came to Hope from El Dorado Jr. High. He headed the Bobcat program for three years, 1935-37 before going to Walnut Ridge as head coach.

Lawrence Martin, Hope native and graduate of Henderson, was head coach of the Cat staff during 1937 and 38. In his collegiate days he was a Reddie tackle from the era of E. Rowland and Bo Sherburne. He received all state honors in the Marshall, Texas School System.

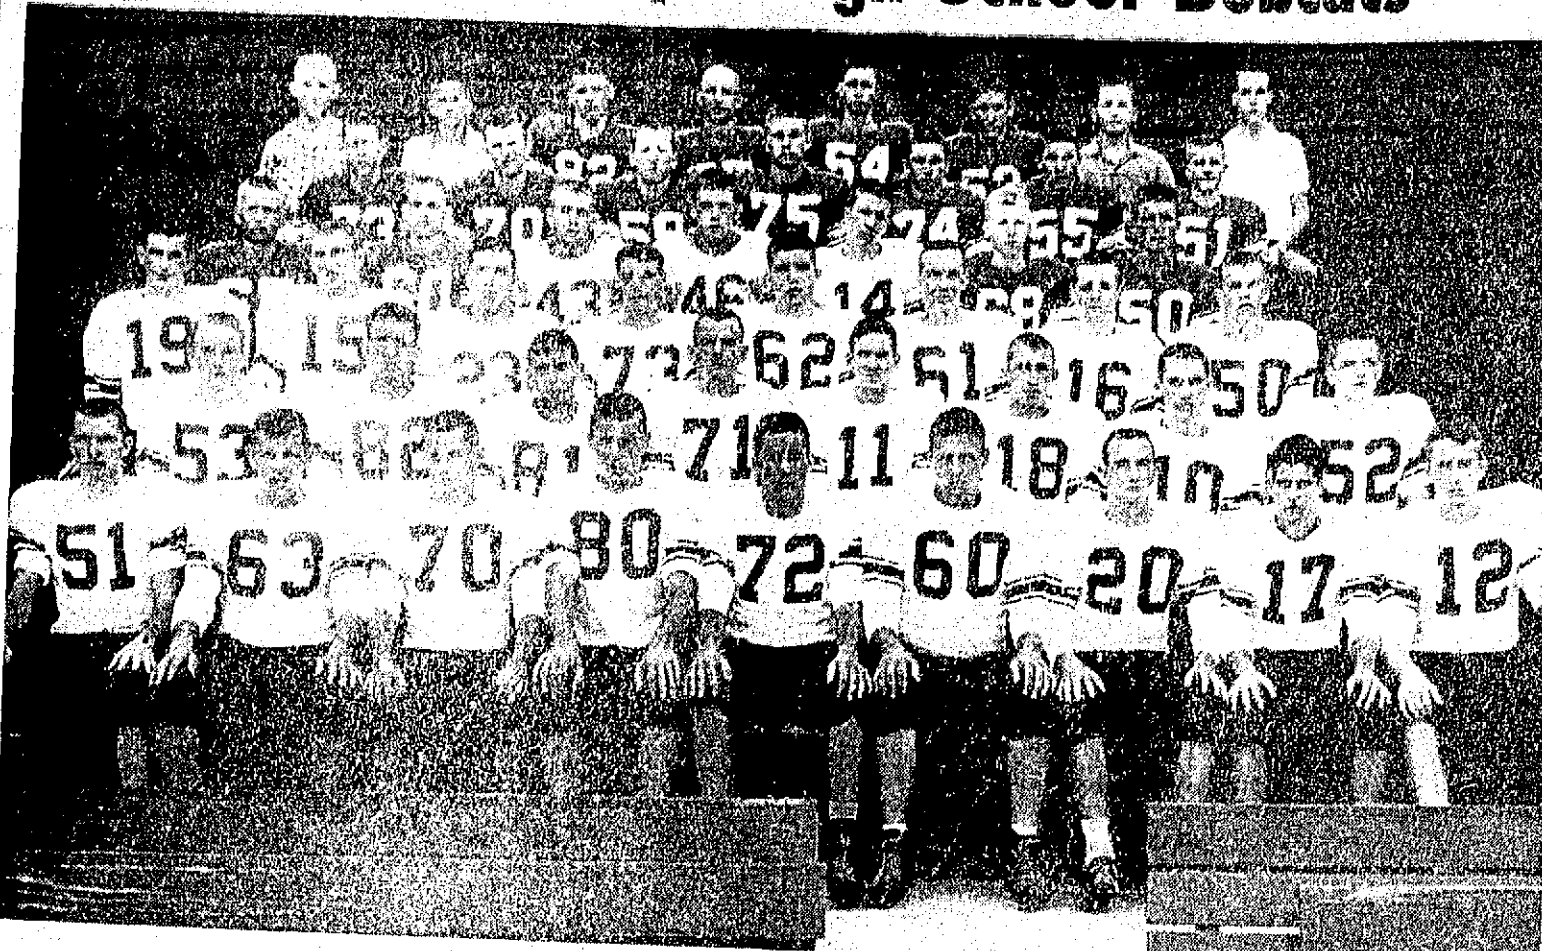

James E. Eastminger, head of Center College in Kentucky, Joe Eastminger, son of the late Eastminger, came to Hope in 1938 and 39. He coached the Bobcats in 1938 and 39. After leaving Hope, Eastminger went to Texas to coach the Marshall, Texas School System.

Joe Diddy, another University of Alabama product, who played tackle for the Crimson Tide and who also was a native of Nashville, led the Bobcats in 1940 and 41. After years of coaching, Diddy is now connected with the Arkansas Industrial Development Commission.

Foy Hammans, familiar figure in Hope's sports and community life, was Bobcat head coach from 1942 to 1944. Hammans attended Junior A & M and the University of Indiana where he was an outstanding fullback and halfback. Before coming to Hope he had compiled enviable records at Pine Bluff High School, Ouachita College, and Arkansas A & M. He now resides in Hope where he is a well known farmer and business man.

Preceding Hammans and serving as head coach from 1945-49 was Teddy Jones, Jr. Jones attended Ouachita where he was All State Quarterback and came directly from college to enter the coaching field. Jones currently resides in Hope and is Manager of the Arkansas Employment Security Division.

1959 Edition of Hope High School Bobcats

FRONT ROW, left to right: Bobby Erwin, Teddy Messer, Joe Matt Herndon, Tommy Jones, John Snell, Willie Sutton, Joe Churchwell, Jerry Owen, George McGill, Junior McNatt, Johnny Turner, Larry Arnett, Ford Ward and Larry Walton. 2nd row: Kenneth Anderson, Terry Don Thurman, Phil Gilliam, Tim Bearden, Jimmy McLarty, Billy Walters, Jimmy O'Dell, Kenneth Padden, Jerry Chambers, Charles Dudley, Sam Brown and Tony McLarty. 3rd row: David Clark, Johnny O'Dell, Lloyd and Larry Vaughn, Yozom, Senny Kitchens, John Crain and Tony McLarty. 4th row: Managers Carroll McKee and James Hutson, Joe Mason, Carroll Rowe, Ronnie Hankins, Ray Easterling, Lane Pierce, manager and Teddy Jones, statistician and Hope Star sportswriter.

They Said It Couldn't Be Done, It Was

"They said it couldn't be done" is a phrase often heard these days in connection with certain advertising, but the words certainly fit the situation prior to the building of the football stadium at Hope High.

After all the times were bad, it was 1934 in the midst of a depression and everyone was broke. Many thought it was like "shooting for the moon" to even think of special instructions as they went to a training school at Commerce, Texas, this past summer.

This is the first time the Hope group had gone to such a school since the navy result is even more clever and exuberant yells than in the past. The plans for the immediate future call for organizing a Pep Squad patterned after the Bobettes.

Each a construction becoming a reality at that time. And then there were others who didn't feel that way at all.

In a recent account of this work, Miss Betty Henry of Benton, who was superintendent of Hope schools at the time the stadium was built, particularly cited A. E. Brannan for his efforts. Miss Henry wrote, "Doc Brannan gave hours and hours of work (often hard, manual labor) and planning and talking and YES — begging to get any material for building the grandstand, etc."

His efforts and those of others finally had results when the city became interested and saw the possibility of getting an honest-to-goodness stadium. A total of \$20,000 was given by the federal government, and the building of bleachers, an office, and other structures in the stadium was done by W. P. A. workers.

The lights and poles were furnished by the city, and in the end the local government furnished \$3,500 toward the construction. N. P. O'Neal offered to give title for the

enclosure and, though the school board was doubtful about the durability of life for that purpose, it was gratefully accepted.

It was not in a position to choose, and the tile proved to be much better than any had hoped. In fact, it turned out that Hope had the best stadium for a small high school of anywhere in the state, thanks to the united effort of all concerned. "There have been some changes, but there was no school in the population class at that time that could match Hope on the field layout," Miss Henry wrote.

When it was decided to give the stadium a name, what better choice could there have been than "Hammans Stadium" in honor of Coach Foy H. Hammans? This man, who coached Bobcats longer than any other man — from 1933 to 1944 — had been a part of the building of the stadium. He had been a part of the building of the stadium. He had been a part of the building of the stadium. He had been a part of the building of the stadium.

Foy Hammons Gave Hope One of Its Finest Grid Teams

which appeared in a paper in 1937 under the name of Foy Hammons. Foy Hammons is the head coach of the Hope Bobcats. He has been doing that sort of thing for almost 20 years and has a distinct habit of turning out winners.

Because the facts spoke for themselves, Foy Hammons is at present head coach of the Hope Bobcats. He told that the Hope coach had been one of the best athletes ever turned out in the state and had sealed even

Coach Beasley's Hope Junior Football Team

greater heights as a coach. "He is almost in a class by himself within the state and has received national acclaim by virtue of his products," Friend wrote.

Explaining that statement he cited, "Nineteen state, two tri-state, and one national championship in 17 different branches of sport is tribute enough to Hammons' skill and genius at producing. Under the direction of Coach Hammons Hope has risen from an obscure small school with practically no athletics to one of the front liners.

"In 1935, his first year, the Bobcats won 26 basketball games and lost but seven. His gridder broke even in 14 games. Last year they won nine, tied one, and lost one.

"His athletic days date back more than two decades, but each year finds him crisper than ever. At Little Rock High he won eight letters in four sports, basketball, football, track and baseball."

Looking briefly at his college career we find that in his first year as a student at Jonesboro A&M College, in 1915, he was chosen as fullback on the all-state first team which was named from all colleges and the University. The lanky athlete also played a major part in Arkansas A&M being able to win the state cage championship the two years he was there.

After his graduation from the junior college, he went to the University of Indiana for a year and captained the Hoosier freshman basketball team as well as being alternate captain on the grid squad.

HOPE JUNIOR HIGH school football team, coached by Gordon Beasley and comprised of 8th and 9th grade players are, front row, left to right: Orville Dean Steadman, Donnie Vaughn, Bill Reinhardt, Janice Blackwood, Charles Beyerley and Tony Purdie. Second row, Ronnie Burns, Ray Beggs, Chuck Brown, Dan Jones, Kendall Yocum, Mac McLarty and Jerry Pate. Third row, Johnny Anthony, Jack Caldwell, Larry Anderson, Richard McDowell, Billy Bearden and Truett King. Fourth row, Manager Joe Purvis, Mickey Baber, David Porterfield, Roy Wray, Vince Foster, Earl Ray Murphy and Manager George Jones. Back row, Ricky Butler, Jabo Horton, Larry Thrash, Paul Randolph, James Marcum and Jerry Goad.

Under Coach Hammons the Pine Bluff basketball juniors won the tri-states tournaments in Memphis in 1925 and 1926 and ranked fourth in Chicago in the national. Also in Chicago his crack track squad placed fifth in a meet in which 28 states were represented. They won the state title in 1925.

During the five years he spent at Ouachita College, Hammons had champions in '26 and his team were co-winners of the title with HSTC the following season. The track teams of '29, '30, and '31 ranked first in the state, and his basketball five won the championship in '29 and '30.

"He moved over to Monticello in the fall of '31 and continued to wield his magic," wrote the Blytheville Friend who concluded his remarks with these words of praise.

"Yes sir, this Hammons guy is a modern Midas. Everything he touches turns to gold — winning gold. And if the Chickasaws aren't extremely careful they, too, may

When You Hear a Lusty Yell It Is Usually the Pep Leaders

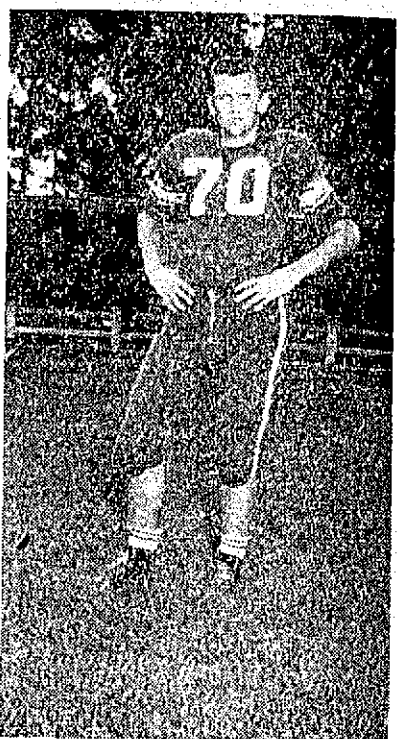

When you hear a lusty yell, "Yea team, fight!" it's usually being led at a Hope Bobcat football game by red and white clad members of the cheerleader team, whose faculty sponsor is Miss Vivian Ross.

This group of pretty, vivacious girls with extremely strong lungs is headed by Captain Judy Kaye Wright. Other members of the team are Caryl Joy Myers, Kaye Downing, Dorothy Ball, Tomma Taylor, and Jan Reinhardt.

Alternate cheerleaders are Nantey Truiley and Cherry Myers. Because one of the "regulars" could not go to a cheerleading training school on the campus of Ole Miss this summer an alternate took her place to make a full squad from Hope.

This is the first time in the five years that Hope has sent students to cheerleading schools that we have had an entire team to represent Hope High.

Great Moments in History of Hope High School Football

Thrilling football games and individual plays are always remembered by coaches, players, and fans alike. Different ones are best recalled by different people, so this brief glimpse at football highlights from Bobcat history will include only a few such events and names.

The night Hammons Stadium was dedicated, Hope High School visited the Shrineport stadium for the first time. Before a crowd of 4,000 fans the Shrineport squad defeated Hope 25-14 in a brilliant battle. They had three teams to our one, but the Hope boys were undaunted. In fact, the 'Cats scored first. Hugh Reese got home for the longest run of the game, and both Hope TD's were scored by Vance Bright.

A special train, bearing reserve players, 300 students, the Hyrd High School band and followers of the team came to Hope for the game. When it arrived, a parade started at the depot and extended through the business section of town.

El Dorado has always meant tough going for all its opponents.

whether they are meeting them in '32 or back in '30. What made the game between Hope and El Dorado even tougher in 1930 was the fact that it was played during an electrical storm.

It wasn't just raining. It was storming. Light bulbs were popping out above the field during the game. Fortunately, enough continued burning for the game to be played. A special train of Hope fans made the trip and saw Hope defeat El Dorado by a one touch-down margin.

The most remarkable thing about the entire game was that no families were committed by either side despite the adverse conditions.

Coch Hammons called to mind many times that one point has meant the difference between a win or a loss for his Bobcats. At those times nerves are taut, tension mounts, and every eye, ear, and heart knows only one word: Hope. That four-letter word has a double-meaning for local fans. Sometimes the results are good, like the time "Boob" Daniels kicked a field goal which meant a

0-7 win for Hope over Haynesville, La. The year was either '30 or '31.

However, in '34 Hope lost to Little Rock due mostly to excitement. Folks who saw that game won't forget the running plays of Jack Turner. The Bobcats had the ball on L. R.'s 11 1/2 yard line. Four words tell the rest. Excited. Careless. Penalized. Lost.

Hugh Reese's work, under dramatic circumstances, produced a cherished victory for the Bobcats in the El Dorado game of 1935. That victory will probably remain the brightest spot in Reese's store of gridiron memories. It will also remain in the memories of many Hope fans.

Supporters of the Bobcats will recall that Reese scored two of the three touchdowns against El Dorado. The last one was the winning touchdown in the closing minutes of play on a spectacular catch and a 70-yard dash that saw the Bobcat end really stretch out and outrun two Wildcats on his heels. But when he crossed the goal no one was close.

There seems to be special delight on one hand and additional sorrow on the other when a homecoming game is won. In 1943 the homecoming game in Hope was against one of their worst rivals, the Nashville Scrappers. Despite the fact that 3,000 Bobcat boosters were yelling their lungs out for the Hope Bobcats, they lost by the lopsided score of 21-0.

It helped the 'Cats' feelings somewhat when they went to Camden that same year and upset their homecoming by the narrow margin of 7-6. Still, it was those Scrappers they wanted to beat the most.

Since there were two games scheduled with our northern neighbor that year, Hope went to Nashville for the second game. After a hard-fought 60 minutes, Hope won 14-0. What was more important, it was the Nashville homecoming game, their first one to lose in 15 years!

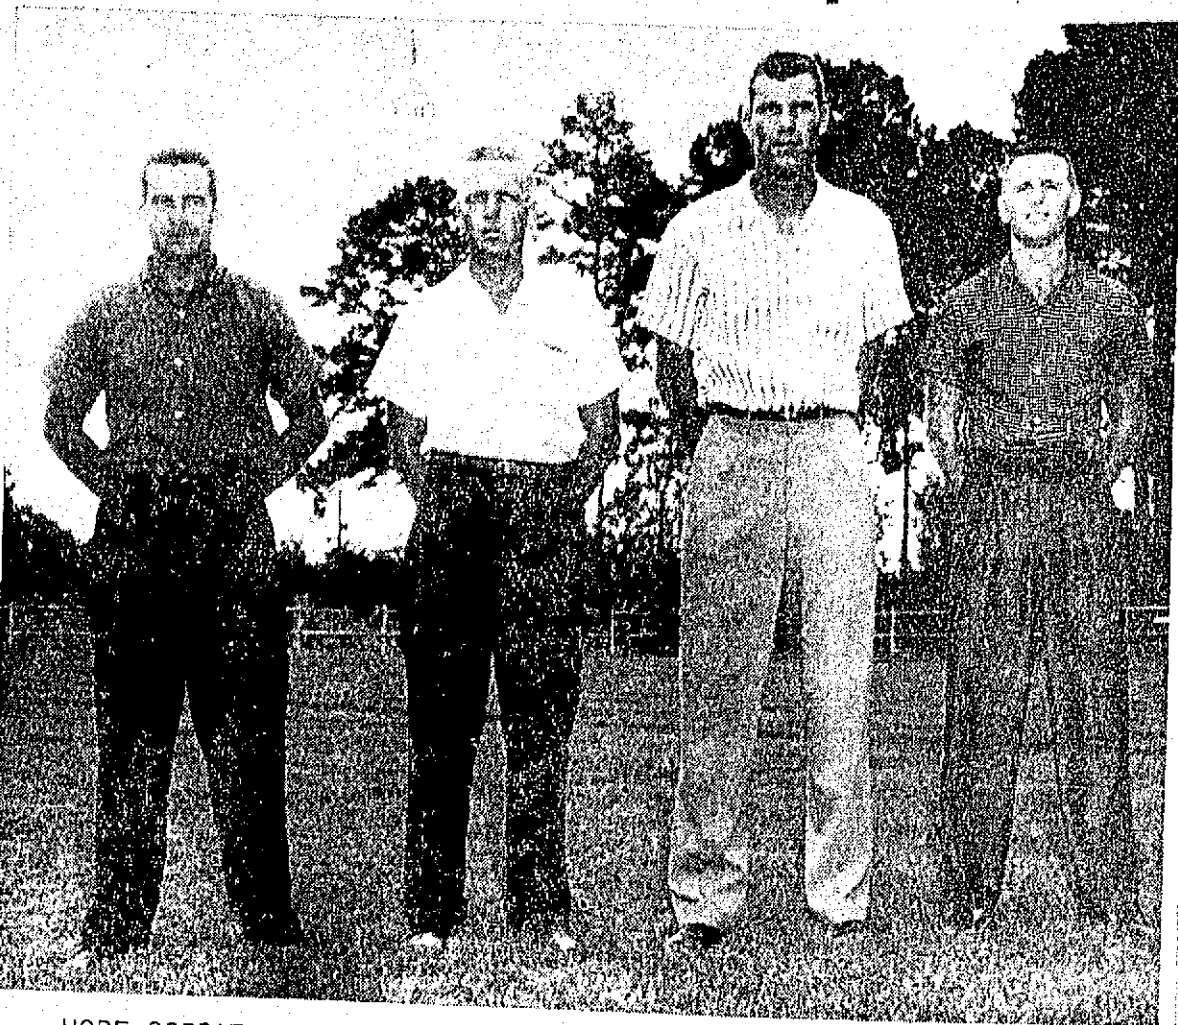

Under coaches Diddy and Tollett the Bobcats of '46 played stellar ball, ending the season with a record of ten wins and two losses and achieving third place in the district conference. The 'Cats earned the title of being the leading ground-gaining team and the line held the record for being the hardest hitting line in the state.

Buster Rogers was the star performer in the games played and Jack Bell was probably the outstanding all-around player in the Hope eleven's backfield. Credit, too, must be given to Jack Wells, whose best performance was in the Camden game when he served all of Hope's touchdowns. Fans also will long remember the last few seconds of the Fordyce game that year when Wells sneaked off tackle for the winning touchdown.

After the '47 campaign the Bobcats received many individual honors. Jack Ray was named on the AAA's mythical All-state team, generally recognized as official. Buddy Sutton and Denny Smith made the All-District 10 AAA squad along with Ray. Sutton and Smith also received positions on the second All-State team. Burgess Garrett and Sam Westbrook were given honorable mention for the All-State squad.

That year Hope stopped Nashville one foot from the goal and won the thriller 13-6. The game ended as Nashville's pass completion fell one foot short of a score. The favored Bobcats had to settle for a one point win over Camden on the

HOPE BOBCAT COACHES, left to right are: Gordon Beasley, Junior High Football coach, John Pierce, head football coach, Don Savier, Asst. football coach and head basketball coach, and Billy Mitchell, Junior Varsity coach.

Here Is the Lowdown on How the Bobcats Got Their Name

The Bobcats have always symbolized the name they bear. But how did they get their name in the first place?

On the second Monday in October, 1919, the Hope High football squad met in the domestic science room of the high school which was where old Oglesby School is today. Meeting with the players were D. L. Paisley (deceased), superintendent of schools, Miss Beryl Henry (now of Benton), high school principal, Miss Dell McRae (Mrs. N. W. Dent), domestic science teacher, and Hugh D. Clark (now of Little Rock), football coach.

The group was called together to choose a name for the team. Because the men were light and the squad was small in number, such names as "Lions," "Tigers" and "Leopards" were rejected.

At Mr. Paisley's suggestion, "Bobcats" was the name chosen, for they surely had a fighting team. Through the years this has proved to be a wise choice, though the players have certainly increased

in number and in weight.

Clothes don't always make the man and uniforms don't necessarily make the team either. An example of this fact was in the first attire of the Bobcat football team.

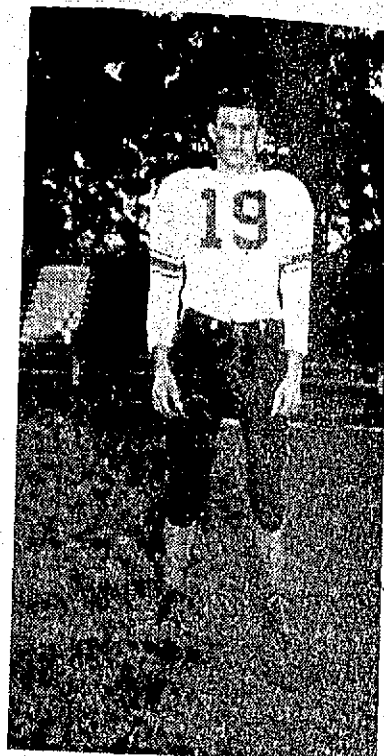

Each player was responsible for securing his own uniform, including having cleats put on his shoes. Some of the suits were quite comical looking. After the name "Bobcats" had been chosen, Miss Dell McRae, the domestic science teacher, offered to sew a cloth bobcat on the back of each home-made uniform.

Thus, the first Bobcat uniforms were created. They wouldn't have taken any prizes at a clothing exhibit, but they weren't meant for that.

Those uniforms were stitched with loving care, worn with pride, and resulted in the warmth of school spirit.

That first year the Bobcats were

knocking between the Hope Bobcats and the Smackover Buckaroos during the past ten years and neither outfit can claim any advantage over the other.

In the won last column Hope High School has won four and Smackover has won four. Two games have ended in ties. So, unless the two teams battle to another tie Friday night one will take a series lead over the eleven year period. Here's a run down on the past ten years.

1949 — Smackover beat Hope 21 to 0 to win the District title.
1951 — Hope beat the defending District Champions 32 to 0. Gordon Deasley (now Hope coach) scored Hope's last TD by inter-

cepting a pass and going 10 yards.
1951 — The Hope Bobcats beat Smackover 26 to 0 with Yocbin, Stanford, and Bright starring for Hope.

1952 — Hope tied Smackover 14 to 14. Arnold scored both Hope TDs.

1953 — Another tie; same 14 to 14 score. Raymond Churellwell goes 55 yds and returns 2nd half kick off 99 yards for both Hope TDs.

1954 — Smackover beat Hope 19 to 0. Hope's only score came in the 4th quarter with Lindy Pate going over from the one yd. line.

1956 — Smackover beat Hope 13 to 7. Nix scored for Hope in the 4th Quarter with Linge Kicking PAT.

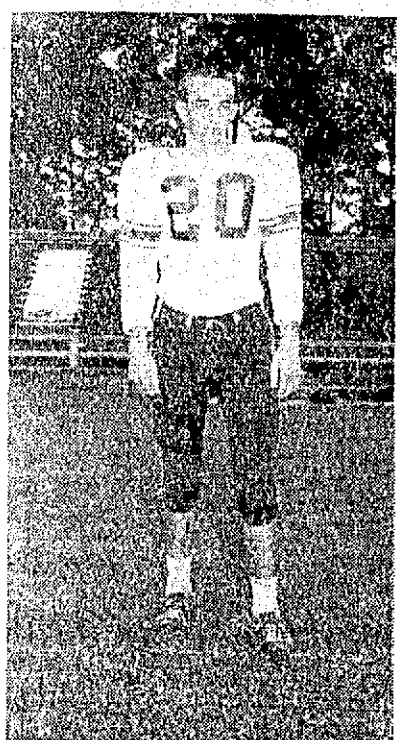

1956 — The Hope Bobcats lost a thriller to the Bucks 21 to 20. Hollis scored two TDs on passes from Tommy Polk. Polk scored one TD and Winston Duke kicked two PATs. The loss knocked Hope out of a bid for District title with Crossell.

1957 — Bobcats smacked the Bucks 19 to 7. Watkins passes in halfback who scores 2 TDs and Polk scores from 1 yd line. Porterfield converts 2 PATs.

1958 — Cats beat the Bucks 26 to 7. TDs Butler, Graves, Boothe 2. Bobcats go on to take District 4 AA championship.

Reece Miller was the only four-year letterman in football at Hope High in 1948.

times longer, to work out the formations on paper. That doesn't include the time spent to get the ideas in the first place or to score the music.
The sections of the band learn their parts, then memorize their music. One day a week is spent in the rehearsal room, and Tuesday through Friday there is a 55 minute field drill each day.
Usually, a week of intensive work is sufficient to put together a good half-time show, but there are some exceptions. For instance, there was the game with Conway last year when the Hope High School Band performed for 8 1/2 minutes. Behind those few minutes were five weeks of practice.

Hope's Band Is Always a Part of a Football Game in Spirit

The 65 members of the Hope Senior High School marching band are led by Drum Major Freddie Smith. The featured twirler is Mary Alice Mosley. Majorettes are Lolly Prather, Jo Ann Turnage, Jo Ann Kidd, Patsy Beard, Linda Pettit, Norma Jean Cannon, and Lana Thompson, with Brenda Deloney and Teresa Tullis serving as alternates. Sandra Barberello is the mascot.

Officers in the Senior High Band are:

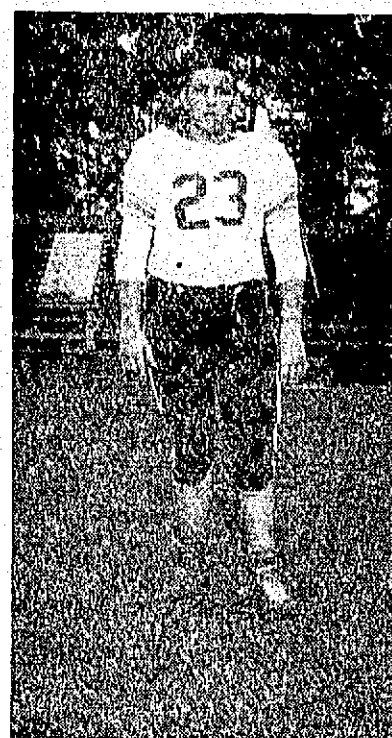

Captain, Gilbert Brown; Drum Major, Freddie Smith; Assistant Drum Major, Mary Alice Mosley; 1st Lt., Roy Tullis; 2nd Lt., Jimmy McGuire and Ronnie Formby; 1st Sgt., Dayott Collins; Supply Sgt., Larry Browning; Sgts., Larry Gaines and Millie Flowers; Head Drummer, Ben Gee Waller; Librarians, Tommy Hollis and Roy Allison;
Sophomore representative, Betty Rateliff; Junior representative, Charles Clark; Senior representa-

live, William Walden; Secretary, treasurer, Jo Ann Kidd; Historian and reporter, Patsy Beard; Chaplain, Mary Lou Park;
Other members of the Hope High School Senior Band for 1959-60 are: Laura Adams, Andrea Anthony, Jimmy Arnold, Jimmy Barrentine, Emmet Barrett, Ginger Bowden, Rose Mary Bassinger, Hugh Donald Barwick, Jerry Browning, Arvis Cannon, Jim Canale, Bill Cecely, Gail Evans, Linda Evans, Carolyn Ferguson, Charles Flowers;

Bobby Foster, Freddie Fuller, Shirley Hartsfield, Mack Hughes, Glendon Keith, Mary Knighton, Franklin Lemley, Richard Lockard, Carolyn Maxwell, John Merrill, Henry Norvel, Don Oglesby, Joyce Puryear, Joel Rogers, Joe Shepard;

1958 Grid Season Will Go Down as Greatest in Hope History

By TEDDY JONES JR., Hope Star Sportswriter

The football season of 1958 will go down in record books as possibly the greatest season in the history of Hope High School. The Bobcats went handily through a 12 game schedule undefeated and were the top ranked team in Arkansas in AA Classification. The Bobcats were one of only two undefeated teams in Arkansas. 1958 marked the debut of John Pierce as head coach of the Bob-

cats. Pierce had served as Junior High Coach of Basketball and Assistant Coach of Football for 10 years prior to being elevated to the head position. If Pierce coaches a lifetime it will be hard for any of his teams to duplicate the record of the 1958 Hope High School Bobcats.

Ably assisting Pierce during the 1958 season were Don Sevier, as backfield coach, Gordon Beasley, B Team Coach, along with general assistants Bill Blake and Donald

Bobcat Cheerleaders Always There

HOPE HIGH SCHOOL CHEERLEADERS are, kneeling, left to right: Dorothy Ball, Jan Reinhardt and Kaye Downing. Back row, left to right: Nancy Tooley, Caryl Myers, Judy Kaye Wright, Tonna Taylor and Cherry Myers.

Cats of 1936 Were Unofficial State Champs

There have been many great teams and many illustrious years in the history of Hope High School football. Possibly one of the greatest among the great teams in the annals of Bobcat history is the "Unofficial State Championship Team" of 1936.

The Bobcats of that year went undefeated, tied only by Pine Bluff's Zebras 0 to 0 in the first game of the year. The Blytheville Chicks, coached by Joe Diddy, were also state claimants to the championship.

The Cats enjoying one of their most successful years in history were coached by Fay H. Hammons, one of the great Arkansas high school coaches of all time, and James H. Jones, present Superintendent of Schools.

Old timers might recall that there was another slight blemish on the record of this great Bobcat team of 1936 which was caused by the Arkansas Athletic Association. This resulted in the Cats going down to defeat before a DeQueen eleven that was heavily sprinkled with "reserves." The game was thrown out and not counted.

In 1936 the AAA as now organized and constituted as the Arkansas Athletic Association was not in existence and there was no official set up as to classifications, districts, etc. Mythical championships were usually awarded by the sports writers.

This great 1936 Bobcat eleven defeated such powers as Hot Springs, Camden, Nashville, Jonesboro, St. Mary's of Dallas, Texas and El Dorado.

Three Bobcats were named to the All State Team of that year, which in itself was unusual for a school the size of Hope. Those receiving the mythical honors were Freeman Stone, Tackle, Hugh Reese, end, and Vasco Bright, Quarterback.

Easily the outstanding game of the 1936 season, and one of the great highlights of years past, was the Hope Bobcat victory over the strong El Dorado Wildcats. State newspaper circles billed the game as for the Championship of Arkansas.

The following account is a rehash of this championship game as gathered from news files and from the long Prescott series. Final score, Hope 59, Prescott 7.

The season's grand finale was climaxed with an expected decisive win over the long time Thanksgiving foe — Nashville Scrappers. Played on a windy, cold Turkey Day at Nashville the Cats closed out their big year with a 61 to 13 rout of the Scrappers. Scoring in the final game for Hope was Watkins, Boothe, Graves, Thurman, Hairr and Camp.

Statewide recognition came to the Cats following the season's close as they were heralded as the outstanding football team in Arkansas.

All District honors on the mythical "All District" went to Rowe, Graves, Watkins, Boothe, Winston Duke, Jerry Thurman, and Hairr, attesting to the domination of the Cats during season play.

All State selections from the Bobcats were Winston Duke and Don Boothe. Following the seasons close Boothe was also selected to the All American squad.

Culp. A game by game run down of 1939 indicates the compiling of the following record.

The Hope Bobcats opened their 1939 season with a home game against the Pine Bluff Zebras. The Cats trounced the Big Nine team by a surprising 32 to 0 score.

Bill Hairr, Hope end, scored three touchdowns, two on passes from QB David Watkins and one on a 30 yard pass interception. Don Boothe, Cat fullback crashed over for Hope's other two tallies.

Facing the DeQueen Leopards, in the rain and mud at home, in a non-conference tilt, the Cats turned in a 6 to 0 victory in spite of the muddy field. Boothe scored Hope's only TD of the game in downing the Class A power.

Opening 4 AA Conference play the Bobcats rolled over the Smackover Buckaroos by a score of 26 to 7. Boothe scored two TDs; while Butler and Graves made one apiece.

Facing another Big Nine adversary in their third game of the season the Cats whipped the highly regarded Texarkana Razorbacks by a decisive 39 to 0 score. Boothe was again the big gun for the Cats

scoring three of the six Hope tallies.

The Cats checked in their second conference victory in a game with the Crossett Eagles. The game was played in Crossett and proved to be the toughest conference tilt the entire season. The close battle was spearheaded to victory by Don Boothe's 25 yard run scoring the game's only touchdown.

The Bobcats easily subdued the Fairview Cardinals in an out of town tilt played at Camden. The 32 to 0 win brought the Cats a 3 won — 0 lost Conference record.

The Magnolia Panthers proved to be the next Conference victim of the cats going down by a 32 to 0 score. This game, played at Mulder Field, was highlighted by Johnny Graves' 102 yard run from behind the goal line on a punting situation. This scamper was the longest of the year for the Cats. Eddie King produced another long run, going 80 yards.

Final score was Hope 32 — Magnolia Panthers 0.

Another Panther eleven, Camden Panthers, long time dominant power conference was the next Cat

victim. In a home game Boothe scored three TDs and Johnny Graves added two more. Camden's 14 points were scored against the Hope reserves. Final score — Hope 34 — Camden 14.

Possibly the season's highlight from fan interest and Bobcat support was displayed in following the Cats to Conway on a special train for an inter-conference game with the Conway Wampus Cats. Highlighted by a 16 car special train and a following of 800 fans the Cats pretty nearly disappointed for the first half, but were able to muster a 13 to 6 victory in the college city. Ward scored for Conway and Boothe plowed over for Hope in the second quarter to bring matters to a 6 to 6 deadlock at half time. In the second half Boothe scored Hope's touchdown, which proved to be the margin of victory. Final score — Hope 13 — Conway 6.

The Arkadelphia Badgers who have been down for the past several years proved to be no match for the strong Cats. In a game played on a muddy field the Cats scored at will and clinched the 4AA conference crown with a resounding 59 to 0 win. Boothe scored five touchdowns for the year's high in one game. Others scoring for Hope were Graves and reserves Smiley, King and Camp.

The Class A Prescott Curly Wolves proved ineffective in their efforts to stop the Bobcats. Hope scored in the first two minutes of play and were never headed. The Cats passed as they pleased and Vaughn and Hairr scored by the aerial route; Butler went 70 yards with an interception for another score. Duke and Erwin scored by the aerial route and Smiley ran for the final Cat tally. This was one of the most decisive Hope wins

an interview with Hugh Reese, local Bobcat Booster and aforementioned All State participant of that year.

The score — HOPE — 20 — EL DORADO 14

The grid battle between the Hope Bobcats and the El Dorado Wildcats in 1936 was one never to be forgotten by those who witnessed it.

This action packed, hard fought game was climaxed by a suspenseful, heart stopping fourth quarter, that kept the 3000 fans in Hammons stadium on the edge of their seats all night.

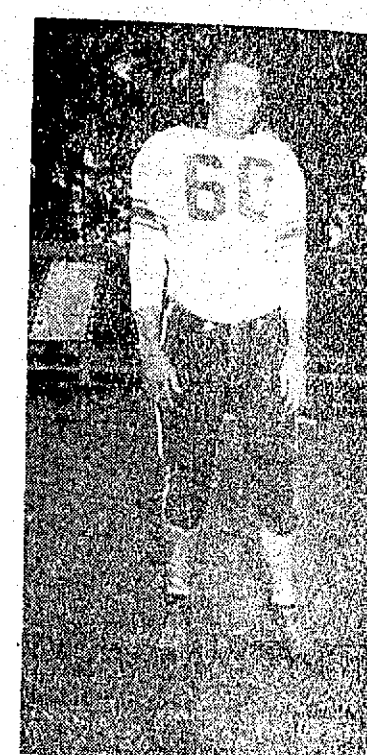

Hope took the lead in the first quarter when defensive fullback McDaniel blocked a Wildcat punt on the 10 yard line. End Hugh Reese scooped it up and went for the Bobcat's first score of the game. The PAT was good making the score 7 to 0 in favor of Hope.

El Dorado tied it up early in the 2nd quarter when left half Shelby broke through the center of the Hope line and scampered 55 yards for a TD. Shelby's kick was good tying the score at Hope 7 — El Dorado 7.

Later in the 2nd period Specs of the Bobcats intercepted a pass on the Wildcat 30 yard line. Specs and Woodrow Parsons made two first downs to the El Dorado five.

Parsons scored a touchdown rushing through the Wildcat line. PAT was good making the score at the end of the quarter 13 — El Dorado 7. Following the half quarter was a great punt by Specs of the Bobcats. The PAT was good making the score 20 — El Dorado 7. With two minutes left in the game QB Specs made a pass to end Reese. Reese had both hands on his heels and was winning inch by inch. The PAT was good making the score 27 — El Dorado 7. Time was running out for the Wildcats and following off the El Dorado line tried to pass the ball. The Bobcats held the ball over on downs. The clock out for the game. Final score: Hope 27 — El Dorado 7. The result of the game ever played eleven.

Bobcat Boosters Are With of the 'Pep' Squad

The first faculty sponsor of the Bobcat Boosters was Mrs. Reece Miller, and at present Miss Vivian Ross is their sponsor. The 24 members of this student booster club have uniforms of red and white skirts and sweaters and carry crepe paper pom poms.

Their purpose is to create good spirit among students, and they act as a body during football and basketball games. Weather permitting, they perform at half-time ceremonies for homecoming and on other special occasions.

To help finance trips to out-of-town games the Bobettes sell booster tags and decals and football game programs. They have also helped to sell Booster Club tickets. Officers of this organization are:

President, Suzanne Semmerville; Vice president, Denny Hefner; Secretary, Cindy Foster; Treasurer, Dorothy Smith; Reporter, Alice Watson and Nita Messer.

There are seven lieutenants, one for each row of Bobettes. The two alternate cheerleaders serve as sergeants of the group.

Other members of the Bobettes are: Shirley Allen, Pam Aslin, LaGreta Barron, Betty Blackwood, Suzanne Booth, Ann Brown, Betty Bryant, Barbara Coston, Judy Beth Davis, Judy Easterling, Sharon Fielding, Penny Franks, Rozanne Freeman, Sandra Gaines, Cecile Godwin, Priscilla Johnston, Jo Carolyn Lewis, Peggy Martin, Brenda Mitchell, Mary Gayle McRae, Tena Pilkinton, Helen Ruth Ramsey, Ann Sutton, Linda Thrash, Pat Valentine, Marguerite Ellis, Bette Jordan, Cherry Myers and Nancy Tooley.

Bobettes Give Untiring Efforts to Boost Team

Team Backed by Jr. High Cheerleaders

JUNIOR HIGH CHEER LEADERS are, kneeling left to right: Becky Waller, Jan Ellis and Jennie Lowe. Standing, l. to r.: Suzy Waller, Phala Brown, Jennifer Cox, Rebecca Willis and Diane Ellis.

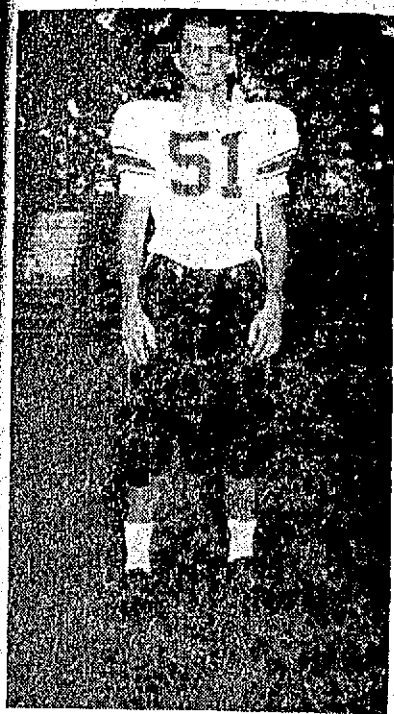

Turned Out Good for the Bobcats

In his sports column called Star Dust Leonard Ellis once wrote:

"An amusing tale is revealed about the beginning of the high school careers of two Hope High athletes, Hugh Reese and Freeman Stone, who came to Hope from Center Point in Howard County as great things on the football gridiron at that time." (The mid 1930's).

"It seemed that both Reese and Stone first picked Nashville High School as the institution to attend. Both had played considerable basketball at that time, but neither had much knowledge of football. "It is said they received little encouragement. They told of their basketball accomplishments, but when it came to football they could say little. "Discouraged, they selected Hope. And was that a lucky break for Hope!" Those two huskies were powers in the Bobcat line four years. In the fall of '38 they went on to great things on the football gridiron at H.S.T.C. in Arkadelphia.

Hope Booster Club Is Faithful to the Bobcats

HOPE BOOSTER CLUB officers, in front left to right are: Mitchell LaGrone, Vice Pres., Jewell Moore, Jr., President and back row left to right, Jack Beatty, Secretary and Treasurer. Other members are: Jud Martindale, Supt. of Schools James H. Jones, Coach, Don Sevier and Coach John Pierce. Third row, Earl Lee Archer, Jr., Charles Burchette, Clifford Russell, Norman Moore, L. B. Tooley of KXAR and Orville Taylor. Second row, Vance Smiley, Harry Hawthorne, Joe Jones, Tom Purvis and Dale Jones. Pete Thurman is behind Jamie Russell.

Bobcats' Best Backer to Erect Sign Over Hammons' Stadium

In the very near future when a large sign across the entrance gate proclaims it as "Hammons Stadium," the latest project of the Hope Boosters Club will have been completed.

Organized in 1936, this young club of businessmen in our town supporting the Bobcats has done worthwhile things in the field of local sports, from securing equipment at the grade schools and the ball park to filming all Bobcat games for further showing and study by the team and coaches.

This latter service has proved invaluable, and Dr. Lloyd Gierin has been the man to take all the pictures. The Boosters Club has carried out this project for the past two years.

To boost the team and to raise money the Boosters Club recently sold 200 books of season tickets.

As a weekly prize for securing new club members, two 50 yard line tickets to the Okla. State-U of A game were given. In a month-long club membership drive, a \$25 first prize and a \$12.50 second prize have been offered.

Under the careful planning and guidance of such men as C. V. Nunn, Jr., the Hope Boosters Club was formed. Roy Taylor was its first president, and he was succeeded by Kelly Walton. Jack King is the immediate past president, and Jewell Moore, Jr., vice president and Jamie Russell, secretary-treasurer.

At this writing the club has a membership of 150, but a membership drive is underway and the total may soon swell to over 200 boosters.

Four Members of the Original Bobcats Still Reside Here

There were never over 16 men in suits, during the first year of the Bobcat football team. Four of the original team members still make their home in Hope. They are Hamilton Hanegun, Harry Shiver, Comer Boyett, and Earl O'Neal.

Hamilton Hanegun was unable to participate the first part of that first Bobcat season due to illness, but he played a bang-up game as guard in two games at the close of the season. Today, he is employed at Ritchie Grocery Co.

Harry Shiver was always in the game hitting the line with good results from his position as a guard. He is a plumber and plumbing contractor today.

Comer Boyett was the captain of the team, and his hard playing made him a star right halfback. He is now an employee of the Post Office Department.

Earl O'Neal capably filled the position of fullback and was a valuable member of the squad. He continued his football career after high school graduation by playing on the Hendrix College team. Today, he operates the Hope Brick Works.

Willie Warren, Harvey Betts, and Barton Dean all played the position of end. The present whereabouts of Barton Dean are unknown. Harvey Betts is deceased, and Willie Warren now lives in Little Rock where he works for the Southwestern Bell Telephone Co.

"Wee Willie" would have been a good name for Warren as he was only 13 years of age when he started as a Bobcat. In three seasons he developed into one of the finest high school players Hope ever had.

Clyde Hart was a hard driving linesman who was always where he was needed. He is employed today by the Texas Oil Co.

and makes his home in Alexandria, La. The whereabouts of another tackle, Clyde Fuller, are unknown, but Gus Bowden, who played tackle and later was quarterback in 1920, is now associated with an insurance firm in Amarillo, Tex. Incidentally, Bowden was one of the fastest men on the team.

Kenneth Greening, another hard hitting guard, had never played on the gridiron before that year but he, nevertheless, did a magnificent job. He is now manager of a textile mill in Houston, Tex.

Charles Bridewell, outstanding center, was twice named to the all-state team. The Mayor of Morriston, Ark., today he also has a wholesale grocery company there.

Earl Spenser held the head work position on the team. He had played football for several years as could be seen by his spectacular playing. Dallas, Tex., is his home, and he is with an automobile credit association in that city.

Goodlett Diddy didn't play until the latter part of the season when he moved to Hope from Nashville. However, he was very good as a halfback. He lives in Texarkana now and is in the oil business.

Art Jordan was a utility man and a good one. Today, he is a traveling man with his home in Nashville, Tenn.

Because of the small number going out for the team itself, other boys in school were called upon to scrimmage with them. The Bobcats were certainly indebted to these boys, who were out every time they could be to help the team.

The coach of this first team of the year, 1919-20 was Hugh D. Clark, now of Little Rock. Under his guidance the Bobcats were originated. With his help this information was compiled.

Last Season the Bobcats Over the Bucks by 26-0

By TEDDY JONES JR.
Hope Star Sportswriter

Last year the Hope Bobcats opened their conference schedule against Smackover September 26. In the game, played at Smackover, the Cats started the first of a series of conference victories that were to give them their first crown in school history.

In the first quarter the bobcats recovered a fumble on the Bucks' 48 yard line. On the next play QB David Watkins flipped a pass to HB Billie Butler, who side stepped four Smackover defenders and went 52 yards for the first Hope tally of the night. Don Booth's kick was good for the PAT.

In the second quarter Hope went on a 74 yard scoring drive in 17 plays. HB Johnny Graves plunked over from the four yard line for the second Bobcat touchdown. The extra point failed making the score at half time Hope 13-Smackover 0.

In the middle of the third quarter the Cats took a fumble deep in Buckaroo territory on the 17 yard line. In two plays All State FB, in the backfield of the

big Don Booth, from the four yard line, making the score 13-0.

Hope made their 54 yard drive in the middle of the 4th quarter. The TD, the first of the season, was scored by the Bobcats.

Smackover's Sam Barker, quarterback, scored the first of the season's touchdowns. The final score was 26-0.

Grimming Vasek, who was an all-state player in the Hope Bobcats, sometimes used a part of his name in the backfield of the
